Changes for Customers

Ft. Myers- The Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

In the Ft. Myers area, the driver license office located at 1830 N. Tamiami Trail will close on Friday, June 27, 2008. The next closest office for customers is located at 413 NE Van Loon Lane in Cape Coral. Employees at the Ft. Myers office will be transferred to other driver license offices to continue offering exceptional customer service.

“The Department wants to encourage customers to skip the trip and get their driver license business done online at www.flhsmv.gov where various online services are available. Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their addresses,” the Division of Driver Licenses Director Sandra Lambert. “If a customer has received notification from the Department that they will have to come into an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment can be a time saving tool for customers.”
